Trusted by Sacramento-area boaters for expert sales and service.

■ DEALER NETWORK & REACH

We have an active buyer list, dealership website traffic, and manufacturer relationships private sellers simply can't match.

We photograph, list, and market your boat with the credibility of a licensed dealership behind every listing.

■ SERVICE DEPARTMENT BACKING

A fully-inspected boat sells faster and for more money. Buyers trust a dealer-certified vessel.

THE CONSIGNMENT PROCESS: STEP BY STEP

1

Schedule Your Boat Drop-Off

Give us a call or reply to this email to schedule a convenient drop-off time. We handle the intake and get your boat into our system. No hassle, no guesswork.

2

Mechanical Inspection

Our certified service department performs a comprehensive mechanical inspection so your boat is presented to buyers in verified, sale-ready condition. A clean inspection report builds buyer confidence and often commands a higher sale price.

Cost: \$400 consignment rate (discounted from our regular \$700 inspection price)

3

Professional Valuation

We research your boat's NADA book value and compare active market listings to price it competitively, maximizing your return while attracting serious buyers quickly.

4

Photography & Listing

We photograph your boat and publish a professional listing on our dealership website and various boat listing sites, reaching our existing buyer traffic and a broad online audience. Your boat is marketed with the same credibility as our new inventory.

5

Secure Storage While We Sell

We store your boat safely on our lot while it's listed, and we clean and maintain it throughout so it's always ready to show. After the first complimentary month, storage is billed monthly.

Cost: \$160/month outdoor | \$300/month indoor (first month free)

6

Buyer Financing & Extended Warranties

We help qualified buyers secure financing and offer extended warranty options, making your boat more attractive and easier to sell than a private-party listing.

✓ Included

7

We Sell Your Boat

Our sales team handles every inquiry, showing, and negotiation. We leverage our dealership relationships, buyer network, and years of marine sales experience to close the deal at the best possible price.

Cost: 15% commission OR \$3,000 minimum, whichever is higher

8

You Collect Your Check

Once the deal closes, we handle the paperwork and cut you a check. That's it. No private-party headaches, no tire-kickers, no wasted weekends.
